

Thank you for choosing our practice! We are excited to introduce you to a program that has brightened the smiles of many of our current patients. **Whitening for Life** is a program that offers savings on in office whitening, custom fitted bleaching trays as well as incentives to patients who maintain their hygiene with us.

Patients who enroll in **Whitening for Life** will receive:

- One In office 60 minute whitening (**\$350.00** value)
- One set of custom fitted bleaching trays (**\$300.00** value)
- Discounts on touch up in office whitenings

In addition to the in office whitening and custom trays, the **Whitening for Life** program includes a complimentary tube of whitening gel (**\$25.00** value) at each of your six month hygiene appointments that are scheduled and completed.\*

\* Recall appointments must be scheduled and completed within 10 days of your recall due date. A \$50.00 reactivation fee will apply when hygiene appointments are not scheduled within 10 days of your recall due date or canceled with less than 48 hours notice.

Join **Whitening for Life** today for a low **\$500.00** enrollment fee.

I understand the Whitening for Life program requirements, and would like to enroll.

# HYGIENE FOR LIFE

Thank you for choosing our practice! We are excited to introduce you to a program that has polished the smiles of many of our current patients. **Hygiene for Life** is a program that not only offers you a choice between two different top of the line Sonicare brand toothbrushes, but also provides incentives to patients who maintain their hygiene with us.

Patients who enroll in **Hygiene for Life** have a choice between a

- Sonicare Flexcare toothbrush without sanitizer\* for **\$150.00**
- Sonicare Flexcare tooth brush that includes *sanitizer\** for **\$175.00**

-or-

*\*Sanitizer is a feature that keeps your toothbrush head free of bacteria between uses.*

In addition to receiving a Sonicare, the **Hygiene for Life** program includes a complimentary Sonicare replacement brush head (**\$15.00** value) at each of your six month hygiene appointments that are scheduled and completed.\*\*

Both models of Sonicare Toothbrushes are available without enrolling in the **Hygiene for Life** program, please inquire with staff.

\*\*Recall appointments must be scheduled and completed within 10 days of your recall due date. A \$50.00 reactivation fee will apply when hygiene appointments are not scheduled within 10 days of your recall due date or canceled with less than 48 hours notice.

I understand the Hygiene for Life program requirements, and would like to enroll.
